DSP 180410 Request Organisations to co-sign open letter to the Home Office to proscribe Hizbul Mujahideen - Dharmic Community

The Policy Issue and impacts: Hizbul Mujahideen is an Islamic terrorist organisation operating in Kashmir for many years who have found supporters in the UK to hold rallies, create potential security issues and break community cohesion in the UK. In 2017, they managed to hold a **rally in Birmingham** where a local Labour Cllr attended.

There appear to be plans to hold **another rally this year**. The letter to The Rt. Honourable, Sajid Javid MP, Minister to the Home Office [is set out here](#). We request <<&company>> to give their consent by clicking on to this link for [consent to be co-signatory to the open letter to the Home Secretary](#).

We look forward to hearing from you soon.
